Section 8 – Duty To Make A Fair Presentation

You have a duty to make a fair presentation of the risk to be insured to the insurer. This requires disclosure of any information which would influence the judgement of a prudent insurer in deciding whether to accept your insurance, impose special terms, or charge an increased premium.

A proposal form, or any other document relating to the contract of insurance, must be answered fully and accurately. All representations must be substantially correct if relating to matters of fact, or made in good faith if they are matters of expectation or belief. Please consider the questions regarding any other information very carefully.

Please be aware that a failure to make a fair presentation of your risk may affect the payment of your claims, cause additional charges or even invalidate the policy.

Disclosure of information also applies to senior management and those responsible for the insured's insurance. The definition of senior management is those individuals who play significant roles in the making of decisions concerning how the insured's activities are to be managed or organised.

Information must be disclosed in a way which is reasonably clear and accessible to a prudent insurer.

This duty arises not only at inception of the policy but also at renewal or in the event of any material change in your risk during the period of insurance. Please contact us immediately if you have any doubt as to what constitutes a relevant fact or circumstance.

Section 9 – Declaration

I declare that after full enquiry of all senior management and those responsible for our insurance, the contents of this proposal are true and we have not misstated, omitted or suppressed any material circumstance or information.

I confirm that this proposal form, together with any other document that may have been provided, does provide a fair presentation of the risk to be insured.

If there is any material alteration to the facts and information provided or any new matter arises before the completion of the contract of insurance, I undertake to inform insurers.
